IQAC- ACTION TAKEN REPORT

Ref.NO. AAACET/IQAC-A/2017-2018/01

The following is the Action Taken Report of the IQAC meeting held on 02.06.2017 and the following actions were taken

Plan of Action	Action taken
IQAC committee members suggested that there should be experts from industry, academic institution, local society and alumni as an IQAC committee member.	IQAC committee members nominated the experts from industry, academic institution, local society and alumni on committee.
IQAC coordinator informed the members that, the current Integrated Learning Management System (ILMS) will be replaced with much more advanced ROVAN Software. This software will enable the E-Governance in the administrative process.	It is approved to change E-governance updating software from pal pop software to Rovan – ILMS (2017) and this software enables the E-Governance in the administrative process.
The IQAC members suggested to organize a Personality Development program for faculties.	Personality Development program for faculties has been conducted on 21/08/2017.
It was decided to conduct motivational programs for both faculty and students.	A motivational program has been conducted for both faculty and students during 07/09/2017 and 09/09/2017
The IQAC coordinator requested the committee members to plan for National level workshops in our college campus.	National level workshops on the topic of "Data analytics using R-software" by mathematics department on 14/11/2018.
