AAACET/IQAC/2023-2024/02

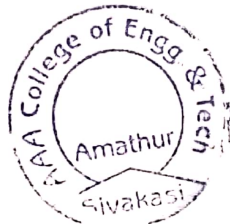

## IQAC - Action Taken Report

Action taken report on the decisions of the IQAC meeting held on 8<sup>th</sup> December 2023. To implement the decisions of the above-mentioned meeting of the IQAC, the following actions were taken:

Plan of Action	Action taken
The result analysis for the academic year 2022-2023 Even semester was discussed. Dr.K. Srithar, Academic expert suggested that continuous counselling should be given to II year students because II year students results were low compare to III and IV years.	In response to Dr. K. Srithar's suggestion, a continuous counseling program has been initiated for II-year students to address their academic challenges. Faculty members and mentors have been assigned to regularly engage with these students to identify areas of improvement and provide guidance. Additionally, extra tutorials organized to enhance their understanding of difficult subjects. The progress of the students will be closely monitored, with periodic feedback.
Dr.K. Srithar instructed the heads of all the departments to organize technical activities through MoUs such as workshop, industrial visits and Implant training/Internship.	In response to Dr. K. Srithar's instruction, the heads of all departments have initiated the process of establishing MoUs with relevant industries and organizations. Workshops, industrial visits, and internship opportunities have been planned in collaboration with industry partners to enhance practical learning. Departments are actively coordinating with external stakeholders to finalize the details and schedules for these activities.
Dr.K. Srithar suggested that all faculty should publish journal papers preferably in Q1 and Q2 journals listed by Anna University, Chennai. This will promote research culture among faculty and students	During the academic year 2023-24, faculty members successfully published 23 SCI (Science Citation Index) journals and 17 SCOPUS-indexed journals. These publications reflect the faculty's commitment to

	and technological applications.
The IQAC coordinator informed that the NAAC AQAR submission for the academic year 2022-2023 will be in the month of December 2023. So all the NAAC criteria coordinators are asked to complete the AQAR documents as early as possible.	The AQAR for the Academic year 2022-2023 was planned to submit in the month of December 2023.
Mr.M.Rajendran Subramanian suggested to give value added courses in programming languages like C, C++, JAVA and Python for all department students.	The Department of EEE planned to organize a JAVA programming course for III-year EEE students in January 2024. This course is being conducted in collaboration with Silicon Software Services Pvt. Ltd.
