Below the header, there is a red banner for the ANTI RAGGING COMMITTEE. The main content area is white and contains the following text:

RAGGING IS STRICTLY PROHIBITED INSIDE THE COLLEGE CAMPUS

As per the UGC/AICTE regulations on curbing the menace of ragging in higher educational institutions (2009), the establishment of an Anti-Ragging Cell is carried out in our institution to uphold a ragging-free culture on campus.

The committee's primary objectives include raising awareness among students about the harmful effects of ragging, maintaining constant vigilance to prevent its occurrence, and taking immediate and strict action against any reported incidents. Students can approach any member of the committee in person or call them to report any action of ragging inside / outside the campus. The committee is aided by the college anti-ragging squad which constantly keep its vigilance.

In line with the Supreme Court's directives, ragging is defined as any intentional act by a student or group of students that includes indiscipline, teasing, rude behaviour, or any action that disrupts academic activities. It also includes actions causing annoyance, hardship, psychological harm, or fear; financial extortion or forceful spending; physical abuse or harm; verbal abuse or public insult through spoken words, emails, or messages; infringement of human dignity; wrongful confinement; molestation; criminal acts; and conspiracy or unlawful assembly aimed at ragging.

Students found guilty of ragging, whether on or off-campus, will face strict disciplinary action which may lead to cancellation of admission.
