

Implementation of PARAKH

Des.Doc. - 27

AAA

COLLEGE OF ENGINEERING & TECHNOLOGY

(Accredited by NBA (CSE,EEE,ECE & MECH) and NAAC with 'A' Grade.

An ISO 21001: 2018 Certified Institution

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

Amathur, Sivakasi-626 005

PARAKH

Overview

The AICTE-SLA project is designed to measure the benchmark levels and gains in academic and aptitude skills by the students in technical programs and to understand the various factors that affect skill development of students in Technical Institutes across India.

Vision

To evaluate technical students of India for their overall qualitative growth during their Course of study in order to get appropriate employment that best suits students' capability.

Mission

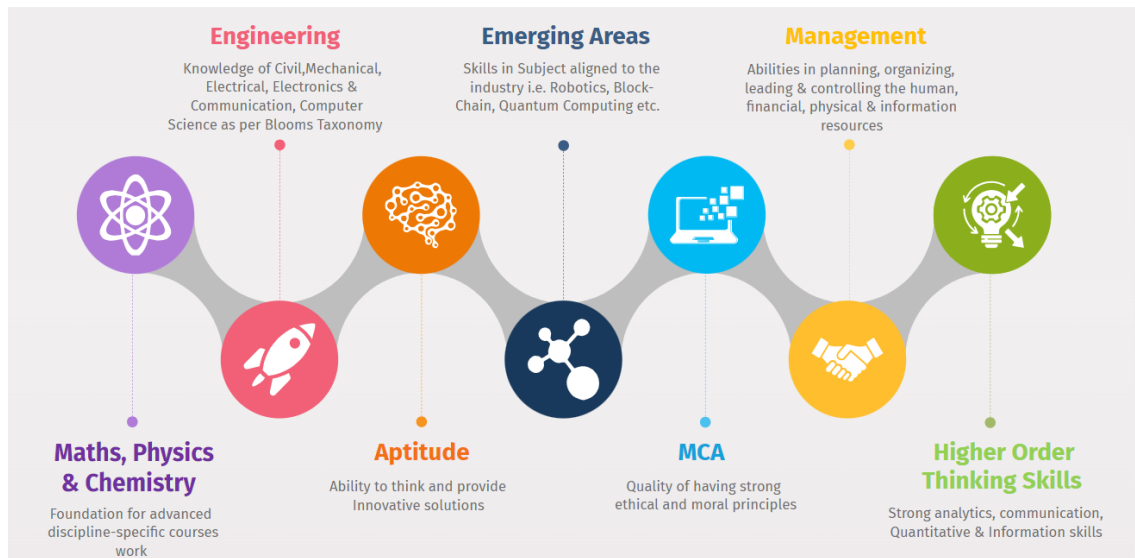

To enable policy makers to evaluate the global competitiveness of Students, Faculty and Head of departments to create a more effective system for technical Higher Education in India.

Purpose

All India Council for Technical Education AICTE-SLA (PARAKH) project has been designed to measure the benchmark levels and gains in academic and higher-order thinking skills of students and faculties to understand the various factors that affect skill development in Technical Institutes across India.

Scope

Gathering and analyzing data about student's achievement is only worthwhile if the information is utilized to improve outcomes for students. The data gathered by the project is used to evaluate the performance of lower level (Academic gain) and Higher order thinking skills gains and provide the enhancement methods by which Indian students can lead for a better opportunity in their profession and personal graph.

AICTE PARA KH - Coordinator

Mr.P. Manikandan

Assistant Professor

Department of Electrical and Electronics Engineering
