SKILL INDIA MISSION

NAAN MUDHALVAN – AAACET

What is Naan Mudhalvan?

Naan Mudhalvan platform aims to provide dynamic information for college students on courses and relevant information about industry specific skill offerings. This will enable the students of TamilNadu to get training in their chosen field of interest that will help them in achieving their career goals.

The objective of this scheme is to identify potential training providers, to impart various skill trainings based on current industry gaps.

Through this flagship program the students will be able to get trained and ensure they get jobs according to their skill sets. We will also offer career and academic guidance to students in state educational institutions.

Naan Mudhalvan showcases 2000+ institutes and consequent 300+ career pathways.

What is the motto of Naan Mudhalvan scheme?

To streamline the skill development efforts in the state and create an environment in which we can not only provide skills training but also employment to the youth to meet the growing market demand for skilled manpower and equip them for continuous development and learning in a changing enterprise environment in India and the world.

Our vision is to create constant opportunities for the youth of Tamil Nadu to be able to acquire skills of choice and to support them with the means of creating sustainable livelihoods.

Mission

Our mission is to constantly strive and integrate the efforts of various departments engaged in skilling the youth of Tamil Nadu and bring necessary scale, synergy, oversight and effective coordination in the implementation of various Skill development schemes and to promote public-private partnership to encourage private sector initiatives like corporate social responsibility (CSR) in the field of skill development and finally support placements.

Naan Mudhalvan Skill Development Portal Launched by CM

Nan Mudhalvan Scheme – The eagerly anticipated Portal has officially gone live. The TN Nan Muthalvan Skill Development Portal was unveiled by the chief minister of Tamil Nadu. On March 1, Stalin launched TN Skill Development for teenagers and young adults in high school and college. On August 29, 2022, Chief Minister M K Stalin launched a platform for specialised upskilling and the Tamil Nadu government inked Memorandums of Understanding with over 47 enterprises. CM claims that deals involving Microsoft and Infosys have been made with large businesses to achieve this goal.

Contents of the Scheme's Portal

The portal offers training in blockchain, banking, language improvement, competitive assessments, IT skills, programming, and other fields.

The portal offers psychometric exams, no-cost skill development courses, and inexpensive skill-upgrading courses on cutting-edge technology. Students who are interested can go to the website at <https://www.naanmudhalvan.tn.gov.in/>.

Student learning in robotics, machine learning, and IoT is aided by the new platform.
