Chennai  
Amathur, Sivakasi - 626 005.

### 1. Session Details:

**Title of the session: NATIONAL EDUCATION DAY 2025**

**Date:** 11.11.2025

**Duration:** 10.00AM TO 12.30 PM (2.30 Hours)

**Activity Category:** IIC Celebration

**Theme:** INNOVATION FEST

### 2. Expert/ Jury Details:

**Name:** Dr. B. Padmanabam, M.E., Ph.D.

**Designation:** Head and Associate Professor of ECE

**Organization:** Institution Innovation Council, AAA College of Engineering And Technology, Sivakasi – 626 005

### 3. Brief about Expert/ Jury :

Dr. B. Padmanabam, M.E., Ph.D., is the Head and Associate Professor of the ECE Department with 18.5 years of rich academic experience. He is a dedicated teacher, researcher, and mentor known for his strong commitment to the field of electronics and communication engineering. His primary areas of interest include nanoelectronics, nanoscale device design, and device modelling. He has contributed significantly to research through the publication of more than seven journal papers. He has also presented his work at various international conferences, gaining recognition for his innovative ideas. Dr. Padmanabam continuously encourages students to explore research-driven learning. He is passionate about technological advancement and strives to bring emerging concepts into academic practice. His expertise and guidance make him a valuable asset to the institution.

### 4. Objective of the activity:

The objective of Programme is to highlight the importance of education in shaping an empowered and progressive society. It aims to commemorate the contributions of Maulana Abul Kalam Azad, India's first Education Minister, and promote awareness about the role of education in national development. The celebration focuses on encouraging students and

teachers to engage in innovative learning activities, fostering a spirit of curiosity, creativity, and lifelong learning. It also aims to strengthen the values of inclusiveness, equality, and quality in education, while motivating institutions to adopt new educational practices aligned with the National Education Policy. Overall, the event seeks to inspire the academic community to work together towards building a knowledgeable and skilled future generation.

### 5. Outcome of the activity:

The seminar on the National Education Policy 2020 provided participants with a deeper understanding of the key reforms and changes proposed in the education system. It helped educators, students, and stakeholders gain clarity on the new curriculum structure, the importance of foundational learning, and the shift towards holistic, skill-based education. The sessions created awareness about the integration of technology, vocational training, and multidisciplinary learning pathways introduced by NEP 2020. Participants became more informed about the policy's focus on equity, inclusion, and flexible learning options. The seminar also encouraged open discussions, allowing attendees to share perspectives and explore practical ways to implement NEP 2020 in their institutions. Overall, the seminar strengthened knowledge, promoted collaboration, and motivated participants to adopt innovative educational practices aligned with the policy.

**Key Highlights:** Creating awareness about the value of quality education for all.

### 6. Participant Details:

Total No. of Student Participants : 117

Total No. of Faculty Participation:

Total No. of Participants :

Four Photographs with Geo-Tag that show the participation of Students and Faculty members.

Two Photographs without Geo – Tag that show the participation of Students and Faculty Members.
