## 3. Objectives of the activity:

To create awareness among participants about the early signs, symptoms, and risk factors of breast cancer and cervical cancers. To highlight the importance of **early detection, regular screenings, and self-examination** for effective treatment and better survival rates. To educate participants on **preventive measures**, including lifestyle modifications, healthy diet, and vaccination (like HPV vaccine for cervical cancer). To reduce stigma and misconceptions related to breast and pelvic cancers by promoting open discussion and knowledge sharing. To encourage individuals to seek timely medical consultation and routine health checkups. To empower women with knowledge that helps in **self-care, early reporting, and supporting others** in the community. To provide information on **available healthcare resources, diagnostic facilities, and treatment options**.

#### 4. Outcome of the Activity:

This event is aim to educate and empower individuals and communities with accurate information, resources, and practical strategies to make informed decisions about their health, promote healthy lifestyles, prevent disease, and enhance overall well-being."The presence of Shri P. Panjurajan, Founder of the AAA Group of Institutions, added to the significance of the occasion, as he extended his blessings and shared his vision for fostering an inclusive learning environment that supports women's growth and leadership. The program also included words of encouragement from the institution's key dignitaries, including Dr. P. Karvannan, Secretary; Dr. P. Ganesan, Correspondent; Dr. K. Vignesh Kumar, Joint Secretary; Dr. M. Sekar, Principal; and Dr. N. Thenmozhi, Chairperson, all of whom expressed their appreciation for the efforts taken by the Women Empowerment Cell to organize such a meaningful event. Increased knowledge among participants about the **causes, risk factors, and symptoms** of breast and cervical cancers. Improved awareness of the importance of **early detection methods**, such as breast self-examination, mammography, Pap smear, and HPV testing. Positive attitude change towards **regular screening and timely medical consultation**. Reduction in fear, myths, and stigma associated with breast and cervical cancers. Empowerment of women to take **proactive steps for their health** and encourage others to do the same in their families and communities. Enhanced understanding of **preventive strategies**, including vaccination (HPV vaccine), healthy diet, and lifestyle changes. Better awareness about **available healthcare services and facilities** for diagnosis and treatment. Motivation for participants to act as **health ambassadors**, spreading awareness in their peer groups and communities.

**Key Highlights:** Cancer Awareness, Early Diagnosis Saves Lives, Screening is Prevention, Healthy Lifestyle, Awareness Program, Women's Empowerment in Health, Stigma-Free Discussion, Community Health
